POUR's culinary team is comprised of a passionate group of chefs, led by Executive Chef Colin Campbell, Chef de Cuisine Marc Sorrell, and Sous Chef Briana Kreiger; who, as a team, work to deliver a distinctive product & experience to every customer.

We define ourselves as a Modern American Restaurant focused on local & seasonal ingredients wherever possible. We balance these with worldly ingredients, which are reinterpreted in an inviting & familiar way, to create an eclectic range of dishes.

POUR prides itself on using carefully selected ingredients, which we prepare from scratch daily, to deliver to our guests. We hope to bring not only a new & unique dining experience to people in the area, but also to serve as a vessel to for the plethora of local producers to showcase their own talents & products.
